

J/24 RACE FALL SERIES

AUGUST 31

There were sixteen boats racing and one boat on race committee duty. Perry Lewis was the PRO. We ran two races. The first used a course of S(p) 4(p). The second used a course of Tetrahedron (p) Tetrahedron (p) which were placed on approximately the same course axis as the course for the first race. The tetrahedrons were used to shorten the course because of the early sunset. The first race started with no recalls. There was an individual recall at the start of the second race. J24 3688 (Crack of Noon) was over at the start. 3688 returned and started correctly. No boats were scored OCS.

The Fleet was well represented by Hanna Lasorsa and Catherine Corssen of J24 2599 (Quirky). Hanna was on the mark boat and Catherine was on the signal boat.

There were no protests reported to the race committee this evening.
