

## Private Lessons

Private lessons are a great way to make extra strides in your child's sailing proficiency. Whether they are trying to prepare for a regatta or trying to catch up after a winter away from their sailing, these one on one sessions can be a great help.

All private lessons should be coordinated through the Sailing Director. They will help you determine which instructor and what time is best for the lesson. Private lessons are \$85 per hour and include the use of a club boat if needed, a private instructor, and use of the club coach boats. There is no discount for using your own equipment.

All private lessons need to be paid for at the time of the lesson at the Dock Office. Members may pay with their account, credit card, or check; Non-members may pay by credit card or check.

If you have any questions about if your sailor needs private lessons speak with your instructor or Kelsey at any time. The best time to coordinate private lessons is at the end of a sailing day or by emailing Kelsey at [idadrsailing@gmail.com](mailto:idadrsailing@gmail.com)
